

How to use this timetable

The Balmain / Woolwich service is a round-trip. This means the ferry may stop at your wharf on the outbound or the inbound service. Please check your timetable carefully for all services to or from your wharf.

1. Choose the time and day of the week that suits your travel needs.
2. Locate the ferry wharves you intend to depart from and arrive to (remember to check both the inbound and outbound services).

For example, if you would like to travel from Circular Quay to Cockatoo Island around 7.30am on a weekday you can catch the 7.20am service from Circular Quay. This does not stop at Cockatoo Island on the outbound service, but does stop at Cockatoo Island on the inbound leg at 7.51am.

You only need a single ferry ticket to travel from your origin to your destination using the most direct route.

Changes to the timetable

This timetable was correct at the time of printing.

Sydney Ferries reserves the right to amend this timetable without prior notice. Unforeseen circumstances and bad weather may result in service delays or cancellations. For service information and updates, please call Transport Info **131 500** or visit 131500.com.au

Note: The Parramatta service also operates to Drummoyne, Cockatoo Island, McMahon's Point and Milsons Point / Luna Park. The Darling Harbour service also operates to Balmain, Balmain East, McMahon's Point and Milsons Point / Luna Park. Please refer to separate Parramatta or Darling Harbour timetables for further information.
